Pampa de Toccra

A high-altitude mountain landscape. The foreground shows a rocky, light-colored path or scree slope. To the left, a steep, snow-covered slope descends towards the path. In the background, rugged, dark mountain peaks rise against a clear blue sky. The overall scene is a typical alpine or tundra environment.

alpgehnuss.ch

Pampa de Tocera

A photograph of Volcán Sabancaya, a cinder cone volcano, erupting. A large, billowing plume of white ash and steam rises from the summit against a clear blue sky. The volcano's dark, rocky slopes are visible in the foreground and middle ground.

Maukallacta

A photograph of several stone ruins, likely remnants of a medieval or early modern settlement, situated in a mountainous landscape. The ruins are constructed from rough-hewn, grey stone blocks. The sky is a vibrant blue, filled with large, white, fluffy clouds. The sun is positioned behind the clouds on the right side, creating a bright glow and casting long, soft shadows across the scene. The foreground is a grassy field, and the background shows rolling green hills under the same dramatic sky. A watermark 'alpgehnuss.ch' is visible in the upper left quadrant of the image.

A photograph of two alpacas standing on a rocky, brownish hillside. The larger alpaca is in the foreground, looking towards the right. A smaller alpaca is standing behind it, also looking right. In the background, there is a calm lake and a dark, rocky shoreline under a clear sky. The text 'alpgehnuss.ch' and its mirrored version 'gib&EUNN22'CU' is overlaid on the lake area.

A wide-angle photograph of the Machu Picchu archaeological site in Peru. The ruins, including terraces, stone buildings, and a prominent staircase, are set against a backdrop of jagged, misty mountains under a clear blue sky. The foreground shows a grassy slope with some stone walls and a small plant.
